Reviews

Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger writes this book.

(Hudson Christiansen)

THE PSYCHOLOGY OF DOG OWNERSHIP (PAPERBACK)

[DOWNLOAD PDF](#)

Taylor & Francis Inc, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. What are the benefits of owning a dog on health and well-being? Why does a 'problem dog' behave as it does and how can owners deal with unwanted behaviour? How do dogs communicate with humans and each other? The Psychology of Dog Ownership explores the nature of our unique relationship with dogs and its effect on our mental and physical welfare. The book uses psychological learning theory to examine dog behaviour and highlights the importance of determining between typical dog behaviour and behaviour disorders that need treatment. Focusing on how dog owners can communicate effectively with their pets, and always with the dog's best interests in mind, The Psychology of Dog Ownership enhances our understanding of the modern human-canine bond and shows how important and enjoyable this relationship can be.
