MCKNIGHT'S PHYSICAL GEOGRAPHY: A LANDSCAPE APPRECIATION, BOOKS A LA CARTE EDITION (LOOSE-LEAF)

Pearson, United States, 2016. Loose-leaf. Condition: New. 12th ed. Language: English. Brand new Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value--this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. For courses in Physical Geography. Explore the changing global environment with real-world examples and mobile field trips Continuing Tom L. McKnight's well-known thematic focus on landscape appreciation, Darrel Hess offers a broad survey of all of the physical processes and spatial patterns that create Earth's physical landscape. McKnight's Physical Geography: A Landscape Appreciation provides a clear writing style, superior art program, and abundant pedagogy to appeal to a wide variety of students. The Twelfth Edition offers a truly meaningful integration of visualization, technology, and the latest applied science, providing essential opportunities to teach and engage students in these processes and patterns. Topics that are tied to students' real-world concerns such as global environmental change, along with new videos, photography, online lab resources, and updated interactive tools, make it the most effective learning program for physical geography. Also available with MasteringGeography™ MasteringGeography is an online homework, tutorial, and assessment product proven to improve results by helping students quickly master physical geography concepts. Students benefit from self-paced coaching activities that feature personalized wrong-answer feedback and hints that emulate the office-hour experience and help keep students on track. With a wide...
