Planet in Peril: Fierce Floods (Paperback)

By Cath Senker

Hachette Children's Group, United Kingdom, 2018. Paperback. Condition: New. UK ed. Language: English. Brand new Book. Extreme weather dominates news bulletins around the world. From tsunamis to superstorms, floods to wild fires, natural disasters affect people globally on a daily basis. Floods, and their deadly consequences, have hit the headlines over the past decade as countries around the world have been affected by serious flooding. But why are these occurrences becoming more frequent, and more severe? And what happens to the affected communities after disaster has struck? Planet in Peril: Fierce Floods answers these questions and many more, including when and why flooding occurs, and how technology is helping people to prepare for it. The book looks at three of these natural disasters from recent years in detail: the Bangladesh floods of 2012, Mississippi flooding in the USA in 2011 and the flash floods in Russia in 2012. Comprehensive case studies cover when and where the floods struck, the immediate impact of the disaster, the flood damage, the long-term effects, the global aid efforts and the rebuilding and regeneration of affected communities. Eyewitness panels give firsthand accounts of the disaster from flood victims, emergency service personnel, aid workers and scientists...
